Emerge	ncy Lighting Fixture : Item Code - PEL 111 - E/M/V (RM) Mounting : Recess, (Type - Maintained)
EXIT	Recessed Mounting Type, single CF - L which provides illumination on normal mains power supply and the same lamp continues to provide illumination during mains failure on self contained battery source. ON resumption of mains supply, the lamp switches back to the mains automatically & simultaneously starts recharging the battery to the required level.
Dimensions (in mm	n)
320 EX 350
